

## QuickBooks Referral Partner Program

### **Provide a new level of service for your customers and earn from your referral!**

Matter365 enables law firms to be more successful by enabling new levels of efficiency in document management, collaboration, time tracking and invoicing. With a deep integration with QuickBooks Online we enable lawyers to manage their day to day tasks like invoicing and trust management - always in sync with QuickBooks.

### **Software for the Business of Law**

At Matter365 we believe that technology can be used to simplify the day to day life of law firms, without needing in-house tech resources. We supercharge Microsoft Office 365 and QuickBooks Online to manage, plan, monitor and bill for client work all from one place. With our proprietary management dashboards, time tracking and accounting management features, its never been easier to maximize billing, work as a team and have a more profitable, and less stressful, workday.

### **New Revenue and Expanded Relationship**

Our referral program is designed for QuickBooks Online Advisors and Bookkeepers who want to broaden their relationship with their law firm customers. You simply refer you're your existing clients and law firm prospects to Matter365 and earn referral fees. We do the selling. Any professional services support that the customer may want on the QuickBooks side is yours, that's in addition to your referral fee.

### **Join Us!**

We are looking for partners that share our passion for supporting their customers. If you are a QuickBooks Online Pro and work with law firms apply online and start recommending Matter365 to your clients.
